

Tiptree Community Website. We sometimes find people are searching for information that we have not got yet, so why not put your business on the site with a **FREE** entry.

Shops, salons, cafés, pubs, takeaways, restaurants, and other businesses in and around Tiptree, are invited to contact Sue Allen-Shepherd, [sue.shepherd@talk21.com](mailto:sue.shepherd@talk21.com), and give some of the following information:

- A brief description of the business including its products, services, specialities and unique selling points (USPs). Please note this should be in an informational format not an advert.
- Opening hours.
- The name & address (including postcode) of the business.
- Contact details (e.g. name / phone / email / website)
- A small iconic photo (a representative photo of the shop or product or a logo)

As well as a base of community information, the intention is to build up more information about Tiptree, the local environment and local business. If anybody else could provide some useful information about Tiptree, please get in touch with Sue.

If you like, you can send your info as attachments to an email. Word documents or rich text files accepted. Please try to send information in electronic form as it saves a lot of re-typing, but if you must put pen to paper send it to 5, Morley Road, Tiptree, CO5 0AA.

Please note that the entry will be a description and not an advert, as we do not want to affect the revenue stream of the press.
